

LEADERSHIP CONVERSATIONS AT THE EDGE OF TRANSFORMATION – LUNCHEON AGENDA

This luncheon convenes leaders for candid conversation at the edge of systemic transformation. Curated for discretion, intimacy, and trust, this event surfaces structural bottlenecks and emerging infrastructure. Participants are invited to identify and mobilise leverage points for decentralisation, acceleration, and mutual value-creation.

PROGRAM

Arrival via chairlift (informal priming)
11:30 – 1:30

Welcome & Framing
12:00 – 12:10

Christian/Griffin/Ingrid/Leyla:

Purpose:

- Why the landscape for value-creation and collaboration is staged in transformation
- Why energy, AI, and digital infrastructure are emerging as a key competitive nexus
- Why this conversation is different: not sectoral, not promotional, not abstract. Rather than proclamation – invitation and mobilisation

Setting the scene – Bringing the context and agendas at hand (4-6 presentations)

12:10 – 12:40

5–8 minutes each, substantive coverage:

- Energy / storage leader
- Data centers, computing, and infrastructure operator perspectives
- Policy / public sector voice
- Investor or strategic corporate

Interactive table conversations – Curated for matching and new linkages

12:40 – 13:05

Participants sit around 5-6 tables

Themes and tasks:

1. What need to change, new momentum or breakthroughs yet to happen?
2. How can change be realised, by Whom and How to unlock progress?

Each table has an appointed moderator

Plenary harvest

13:05 – 13:20

Each table shares key insights

Host clusters insights into:

- Bottlenecks
- Leverage points
- Missing links

Towards shared landscaping and mental maps

Integration & commitment round – From insight to action

13:20 – 13:40

Shifting to Movement and Action Plan at system level

Prompt to the room – Leaving space for reflections on collaborative initiatives

Connection weaving

13:40 – 13:55

Invite participants to stand, move, and form small groups around emerging themes:

Examples:

- “Energy + AI efficiency”
- “Storage + grids”
- “Policy + investment”
- “Cities / regions + infrastructure”

May self-organize into 4–6 clusters

Each cluster:

- Exchanges contact
- Defines a possible follow-up conversation or working thread

Closing & gratitude

13:55 – 14:00

Host closes

Follow-up

A written summary of the table discussions, key takeaways and follow-up action will be communicated to all 1 month after the event
